

Declaration

Works") for publication in *Voice of Academia* (e-ISSN: 2682-7840) published by Voice of Academia Universiti Teknologi MARA Kedah.

The author(s) hereby declares that:

1. Author(s) of reports of original research present an accurate account of the work performed as well as an objective discussion of its significance.
2. The author(s) should ensure that they have written entirely original works, and if the authors have used the work and/or words of others that this has been appropriately cited or quoted.
3. The same manuscript will not be submitted to other journals. Submitting the same manuscript to more than one journal concurrently constitutes unethical publishing behaviour and is unacceptable.
4. Authorship should be limited to those who have made a significant contribution to the conception, design, execution, or interpretation of the reported study. All those who have made significant contributions should be listed as co-authors. Where there are others who have participated in certain substantive aspects of the research project, they should be acknowledged or listed as contributors.
5. When the author discovers a significant error or inaccuracy in his/her own published work, it is the author's obligation to promptly notify the journal editor or publisher and cooperate with the editor to retract or correct the paper. If the editor or the publisher learns from a third party that a published work contains a significant error, it is the obligation of the author to promptly retract or correct the paper or provide evidence to the editor of the correctness of the original paper.
8. If the author(s) are found to breach any of the terms declared above and cause legal problems, the authors will take the full responsibilities.

I (We) declare that the abovementioned matters are true and the work submitted for publication indicated above is ORIGINAL, PREVIOUSLY UNPUBLISHED, and not under consideration for publication elsewhere. It also does not permit publication of manuscript that has been published in FULL in proceedings. If previously published figures, tables or parts of text are to be included, the copyright-holder's permission must have been obtained prior to submission. Submission also implies that ALL AUTHORS have approved the paper for release and are in agreement with its content.
